a leader who has been willing to go against the grain on so many levels to bring about real and lasting change in **Rwanda**. Whether we are looking at the **ICT industry**, the **tea and coffee industry**, **education**, **women's rights**, or reconciliation he seems to always be at the forefront of his class-that class being the class of current African presidents and political leaders. And his leadership has not gone unnoticed in the since that since he came to leadership Rwanda has made a slow but very steady march towards stability and **prosperity**...[\[continue reading\]](#)

Emeka, good call out. Kagame is definitely a leader to watch. He has done wonders with the Coffee industry in Rwanda and is perhaps the most forward thinking leaders we have in Africa.
