★ **THE official deadline for applications to the Pioneers Of Prosperity Caribbean Award Program has been extended to March 23, 2009.**

Eligible business owners are encouraged to visit the Pioneers Of Prosperity website, www.pioneersofprosperity.org for more information and to apply immediately.

"In speaking with several people, we heard that many prospective applicants had wanted to apply but hadn't had the chance yet. And people mentioned they would benefit from an extra two weeks," said **Abby Noble**, country representative for The Bahamas.

"We are pleased with the number of applications we have received from business owners throughout the Caribbean. But we remain convinced that many more winners are out there," stated **Julie Kennedy**, Director of Pioneers Of Prosperity Caribbean.

The Bahamas Development Bank, Inter-American Development Bank, Bahamas Chamber Of Commerce, Grand Bahama Chamber Of Commerce, Abaco Chamber Of Commerce and the Rotary Clubs of The Bahamas have come out in a show of support for the Pioneers Of Prosperity program. It

was launched last month with an event at The Bahamas Development Bank on Cable Beach. A similar launch was held in Freeport. And information and recruitment sessions were staged in both Abaco and Nassau.

Pioneers Of Prosperity is a global awards program that seeks to inspire a new generation of entrepreneurs in emerging economies by identifying, rewarding and promoting truly outstanding businesses which can serve as role-models to their peers.

In addition to being eligible for grants of up to \$100,000 to invest in technical infrastructure and training for their companies, winners of the Pioneers Of Prosperity Award will be connected to networks of technical expertise, potential investors and other cutting-edge entrepreneurs on the local, regional and global level.

Pioneers Of Prosperity's partners include The Inter-American Development Bank, John Templeton Foundation, 7 (Seven) and OTF Group. Applications for the Pioneers Of Prosperity Award must be submitted online and can be found at <http://pioneersofprosperity.org/Application/Application.html>.

The application period for the Award will close on March 23.
